It was only last September that Bowls Cyprus( National Governing Body for flat green bowling in Cyprus), in joint conjunction with Constantinou Bros's -Athena Beach Hotel in Paphos were informed by World Bowls Authorities that they had been selected to stage the 2011 Atlantic Championships. This week the same joint partnership have been requested to hold the World Champion of Champions in 2012 at the same venue.

These two prestigious World events awarded to Cyprus are indicative of both the excellent bowling facilities available at the Athena Beach Hotel and the enthusiasm and drive exhibited by the Bowls Cyprus Council.

The second qualifying event is the Asian-Pacific Championships involving the remainder of the world in the Far East, Australia, New Zealand & Oriental areas.

The Champion of Champions comprises a competition of National Singles Champions from all World participating nations to determine the World Champion in both ladies & men's events.
